Power Lifting

Our University Team for the **First time** competed in **All India Power Lifting Inter University 2015-16** organized by **AN University, Guntur** under the Guidance of **AIU (Association of Indian Universities)** from **11th Jan – 14th Jan 2016**.

Total 69 universities participated in All India Inter University 2015-16. SRMUH Power Lifting Candidate showed a great effort, skill and Balance. He secured **9th place** competing against 69 other candidates representing various universities. The only participant in the event representing SRM university was **Deepak Tushir**.

The level of competition was tough with some of the top teams and Indian team players competing in the tournament, fighting to reach the top spot to come out as a winner. The match pressure was handled very positively by our teams competing against the top teams and learning by observing when the matches were being played. The performance of the teams was fantastic with every athlete in the team contributing their best effort to bring out the best results for the team. All the SRM university athletes came together to support each other in this tournament, which boosted the morale of every competing athlete.
